SIR,

I am directed to refer to your letter No. Pol. 705, C.B., dated the 23rd December 1929, about the issue of a passport in favour of Miss A. Monteiro, and to say that in view of the applicant's previously expressed request that her passport should include Russia, it will be necessary to refer her application to the Government of India.

I am, therefore, to request that you will kindly ascertain the reasons which actuated Miss Monteiro in asking for a passport for Russia and also to inform me whether the Government of Mysore are satisfied that the proposal to grant Miss Monteiro a passport for the other countries is free from objection.

Dear Sir,

With reference to your enquiry about the issue of a passport in favour of Miss A. Monteiro, I am writing this to state that she had no special intention whatever in asking for a pasport to Russia. She understood that if after going to England she intended to visit any other country she had to pay 7sh.6d. or 10 sh. for each country she proposed to visit and she thought that by getting permission to go to Russia and the other countries mentioned in her application now, she could save this amount.

Barring this, she had no object whatever, in asking for a passport.

You may kindly omit Russia and get a passport for other countries

Yours sincerely
